

Writing Game #4: Word Drawing

Word Drawing is a fun writing game that allows teachers to blend art curriculum with writing curriculum. In this game, every student is assigned a word. They then have to take that word and transform it into a work of art.

For example, the word colorful could be drawn in bubble letters where each letter was a different color.

Other popular words for the Word Drawing game include

- Sparkle
- Rainbow
- Rugged
- Peaceful, or
- Electrifying

Students will have fun getting creative as they learn the context of each word that they are playing with while doing this activity.
