

TEACH GRAMMAR

... by having kids copy down a sentence from a book and then discuss how the author uses tools like commas, verbs, compound sentences and so forth...

FREE WRITE!

Read to your students. Then have them free write about what they just heard, what they think of it, and why knowing how to write matters.

READ OUT LOUD

To hone their writing skills even more, have students read their freewriting (or any of their writings) out loud and get feedback on their writing from you or from their classmates.

What did I learn when I read my Freewriting out loud?
